

Johnson County School System Reopening Plan

Johnson County Schools will continue with Full Virtual classes until September 14th. The Board of Education will reassess the current situation at their regularly scheduled meeting on September 10th.

During virtual learning the following measures will be followed:

- Staff members will be on site and teachers will be delivering instruction over virtual platforms with posted office hours. Computer Labs will be available for student use on a limited basis, call your student's school for more information.
- Students will not be on site. They will be actively engaged five days per week and will be held accountable for their learning.
- Students will receive grades based on daily class assignments, projects and exams.
- Nutritional services will be provided for students who have completed the required information through the school nutrition department.)
 - Bus routes will deliver meals to students who have completed the required information.
 - Meal pick-up will be available at Mountain City Elementary daily between 11:00-12:00.
- Johnson County Schools have a limited number of mobile technology devices that can be used by students who do not have access to technology at their home. We have a large number of additional devices on backorder at this time. These devices will be assigned to families based on need. Any device with a keyboard will work with our digital platform.
- Johnson County Schools has extended our wireless access to school and central office parking lots for students who cannot receive internet access at their home. Additional measures will be considered on a case by case basis for students unable to access adequate internet for virtual learning.
- Student email addresses have been issued for all students in PreK-12 and will be the primary means of communication.
- Employees can bring their school age children to remain in their classrooms/offices
- Per Governor Lee's Executive Order 55, Activities are allowed per the TSSAA COVID-19 Sports Regulations, and the Northeast Tennessee School Systems Athletics Activity Return to Action Plan guidance.
