## Notes:

Essential courses are offered to provide students with added support in prerequisite concepts and skills.

Foundations courses are standards-based courses adjusted to give students greater support on core concepts and provide additional practice and review.

The World Languages courses require a headset and microphone that are compatible with the computer being used for the course.

Courses listed as A or B can be taken individually as a Semester course or together as a year-long course.

Course ():

Courses with (M) are Credit Recovery and are mobile friendly.

Courses with (U) are available as individual units.

All courses available with a Pearson Virtual Schools (PVS) teacher unless otherwise indicated. State-specific certification will vary.

PVS teachers not available for credit recovery courses.

While we do provide state certified content area teachers, we do not provide gifted endorsements

Course list subject to change. Please see Pearson representative for assistance.
